

Plantaholics Garden Club 2021

Meets 1st Tuesday of the month at 6 p.m. or as listed due to Covid-19 and the variants.

Because of Covid-19 our schedule is a work in progress. While we will make every effort to meet the first Tuesday in the evening, we are having to get creative and flexible with our schedule. We will return to our 'normal' day and time when it is safe and we are able to do so.
